RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Notification of Defective Response mailed April 7, 2006. The Notification states that a new oath or declaration of inventors is required because the 3rd inventor's last name is shown differently on the declaration and the international application.

The name of the inventor in question is **Juan Miguel Garro Galvez**, with the first name being "Juan Miguel" and the last name being "Garro Galvez." Thus, the name on the declaration filed January 12, 2006 (Garro Galvez, Juan Miguel) is correct. This inventor's name on the International Application should have been listed as "Galvez Garro, Juan Miguel" rather than "Galvez, Juan, Miguel, Garro". However, it is clear that these two names refer to the same individual. Because the name on the Declaration is correct, Applicants respectfully submit that a new Declaration is not necessary.

Appl. No. : 10/523,863
Int'l Filing Date : February 7, 2005

Should there be any question concerning this application, please contact the undersigned at the telephone number appearing below.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
